Nasreddin Hoca and the Mile-Wide Bed

When Nasreddin Hoca was lying in bed with his wife, she said,
"Hoca efendi, would you go a little farther [i.e., over in the bed]?"

The Hoca got up, put on his clothes, went out, and started walking.
He met a man on the road and said to him, "Go and see my wife and find
out if I have gone far enough."
