Moslem, Christian, and Jewish Curses

A Moslem, a Christian, and a Jew were arguing. The Moslem became angry and said, "I pray that five thousand Christians will die."

The Christian responded furiously, "I pray that ten thousand Moslems will die"

During this exchange of curses, the Jew had remained silent. The Moslem and the Christian asked the Jew, "Don't you have anything to say?"

"what should I say?" the Jew answered. "I just hope God will accept prayers."
