One day Hoca was throwing the germ that makes yogurt into a lake, and someone asked him what he was doing, and he said, "I'm trying to make the water of this lake into yogurt."

"Oh," said the man, "you are crazy. You know you can't turn water into yogurt."

"Oh, yes, yes, I know," he said. "I know I can't. I know it won't turn into yogurt. I know. But just suppose it did. How much yogurt we would have! Just suppose it did."
